E. Griffin, contractor and carpenter, 312 Woodworth Ave., Alma, Mich., says:

"I had considerable trouble from my kidneys. The kidney secretions were irregular in passage and I suffered intensely from backache. I used Doan's Kidney Pills, that I got at Rhodes' Drug Store, and they relieved me. That happened several years ago. I then gave a statement telling what they had done for me, and I am pleased to confirm it. I can safely say that Doan's Kidney Pills are a fine kidney medicine."

—WILL STRIKE 100,000 MICHIGAN HOMES

ARE YOU AWARE, that if the proposed Amendment to the Constitution of the State of Michigan, to be known as Section 19, and to be voted upon on Election Day, November 3, 1914, is adopted, its provisions will strike One Hundred Thousand Michigan homes, and affect the interests of Three Hundred Fifty Thousand Michigan citizens, who are carrying Fraternal protection? The citizens of this State must look to the Insurance Department for protection in all insurance matters. The Insurance Department supervises all Insurance Companies, and seeks to keep fraudulent companies out of this State. Let us look to the Department for information in this crisis.

READ, BROTHER, AND PONDER WELL

Commissioner Winship, of the Michigan State Insurance Department, says: "The adoption of the proposed Amendment would, in my opinion, limit Fraternal Societies to the payment of Death Benefits only, and would destroy State supervision." Rufus M. Potts, Superintendent of Insurance for Illinois, says: "Permit me to say that I have carefully examined this Amendment and am of the opinion that it is a vicious piece of legislation. Judges, eminent lawyers, numerous insurance commissioners, well-known fraternalists, and citizens generally, condemn the provisions of the proposed Amendment. Every Fraternal Society, including Railway Organizations, Trade Unions and Commercial Travelers, have taken up arms against the proposed Amendment. If the Fraternal System is to be preserved, THE AMENDMENT MUST BE DEFEATED. Do your part, Brother, at the Polls, Tuesday, Nov. 3.

tion. If the same should be adopted, it would destroy to a large extent the value of Fraternal Beneficiary Societies."

Frank Hasbrouck, Superintendent of Insurance, New York, says: "The adoption of the Amendment into the fundamental laws of Michigan, would, in my judgment, restrict the activities of Michigan Fraternal Orders to that State. It would destroy the feature which gives to a Fraternal Order its cohesive force, namely, the lodge system."
